

The Other Faces of Addiction

“The Recovering Family”

Please Join Us

Wednesday, October 5, 2016

6:00PM - 8:00PM

Science Center Room 214
Montgomery County Community College
340 DeKalb Pike, Blue Bell, PA 19422
(Enter campus from Morris Road)

NARCAN® Nasal Spray will be distributed at no cost on a first come, first serve basis

NARCAN® can temporarily reverse the side effects of an opioid overdose

Introduction:

Valerie A. Arkoosh, MD, MPH

Vice Chair, Montgomery County Board of Commissioners

Interim Medical Director, Montgomery County Health Department

Keynote: “The Recovering Family”

Patrick Dowling, LPC

Private Practitioner

Objectives:

- Address the stigma of addiction and how your family can recover together
- Explore the recovery continuum and the importance of self-care
- Meet some of the “other” faces of addiction

For additional information, please contact: Katie Kucz 610-278-3538 or kkucz@montcopa.org

Hosted by the Montgomery County Office of Drug and Alcohol and Montgomery County Health Department

Montgomery County Community College is not affiliated with the event and the College should not be contacted regarding the program.
