Medicare Health Insurance Counseling

Our staff and volunteer counselors are certified by the Department of Aging and are well-qualified and highly-trained to help you understand your health care coverage options.

Counselors provide free, unbiased and confidential services personalized to your needs and budget.

Community Education

APPRISE conducts presentations to explain Medicare Parts A, B, C & D providing information to help Medicare recipients make informed choices about health insurance coverage options.

APPRISE Counselors are here to help you navigate the complex system of Medicare & prescription drug coverage.

Community Outreach

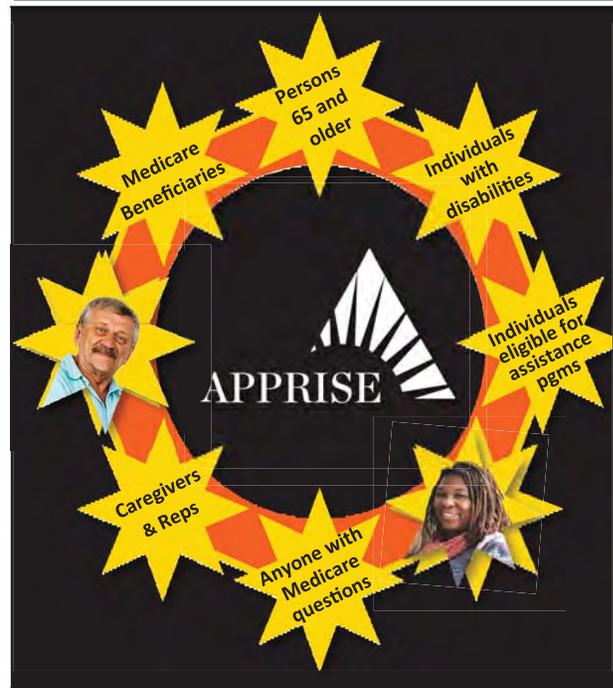

APPRISE participates in health fairs and community events and develops partnerships within the community to promote Medicare education and outreach throughout Montgomery County.

The healthcare industry changes rapidly, offering new insurance and prescription plans each year. **APPRISE** recommends that people currently on Medicare review their health plans annually to see if their current plan is still the best choice.

The best time to make changes is during **Open Enrollment: October 15th through December 7th**. All changes will take effect January 1st.

Make your appointment early to reserve a counseling session.
