Have you heard that Upper Pottsgrove is updating its Open Space Plan? Do you have ideas for the future of Upper Pottsgrove's parks, trails, and open space areas? Be sure to stop by the Open Space Plan table at Community Day! The Montgomery County Planning Commission and the Pottstown Area Regional Recreation Coordinator will be there with posters, maps, a public survey, and other information about the Township's open space and recreational assets. Planners will be on hand to answer questions and to collect your feedback and ideas. *A public workshop on the 2018 Open Space Plan Update will be held at the Municipal Building on September 27th from 5:30-7:30 PM – please plan to attend!*
