

# Upper Pottsgrove Veterans Memorial

The Upper Pottsgrove Veterans' Memorial Committee is dedicated to seeing the construction of a Veteran's Memorial at Heather Place Park. It is our goal to construct a Memorial that honors our veterans while at the same time promotes civic pride. The memorial will honor veterans that have served in any of the five branches of the military; Army, Navy, Marines, Air Force and US Coast Guard.

As part of the fundraising efforts for the construction of the Veteran's Memorial at Heather Place Park we are asking our local businesses, organizations and citizens to help make this dream become a reality. Any donation would be greatly appreciated and will go towards the materials and labor required for the construction. If you are a local business or organization that would be interested in donating materials or supplies, we would also put these donations to use into the project as well.

Your donation or sponsorship is greatly appreciated for this project and will make this vision a reality and a way that we can all honor the veterans who have given their lives, or a portion of time out of their lives, to protect the freedoms that we value today.

Sincerely,

The Upper Pottsgrove Veterans' Memorial Committee
